

ENGLISH-LANGUAGE SKILLS BRING SUCCESS TO PUBLIC AND PRIVATE SECTORS

TAKE ADVANTAGE OF GLOBAL OPPORTUNITIES

English-language skills play a crucial role in economic trade and diplomacy to support transnational initiatives, which is why governments and public organizations (NGOs) require English-proficient employees to bridge such partnerships.

LANGUAGE OF OPPORTUNITY

Investing in English-language education enables governments and their citizens to take advantage of the public and private sector opportunities that exist in today's global economy.

OVERSEAS BUSINESS

Governments and public organizations need staff that can help develop a country's economy by doing business overseas effectively.

600+ GOVERNMENT ORGANIZATIONS

More than 600 government organizations from 25 different countries trust *TOEIC*® assessments to evaluate English-language skills.¹

More than ever, English communication is your passport to workforce readiness and success. The TOEIC assessments can help you get there.
